

Teaching Enhancement through Scholarly Inquiry (TESI) Program Expression of Interest Form

If you are interested in participating in the Teaching Enhancement through Scholarly Inquiry (TESI) Program, please complete this form and send it to Keith Power at kbp201@mun.ca by **July 22, 2022**. Any questions regarding the TESI Program can also be directed to Keith Power at kbp201@mun.ca.

Eligibility

Project leads must hold a full-time educator position (tenured, tenure-track, limited-term faculty, and laboratory instructors) at Memorial University to be eligible to participate in the TESI program. Other full-time educators can join the program as a project co-lead. Adjunct professors, sessional educators, university research associates, and Memorial administrative staff may join as collaborators.

The names and information for any additional project participants can be forwarded to Keith Power (kbp201@mun.ca) after your application has been reviewed and accepted.

2. Project Idea

Briefly describe your SoTL project idea (i.e., what is it that you want to investigate) and how you expect your project to impact student development (i.e., your inquiry must be aligned with fostering student development, broadly speaking). Also, provide details about the course(s) and student population you intend to recruit for your inquiry. Note that you only need to provide a generalized description of your idea as the SoTL Foundations Institute is designed to take your idea and develop it into a full project proposal. (Max 3000 characters / approximately 400 words)

3. Personal goals

Briefly outline what you want to achieve from your participation in the TESI program (e.g., why do you want to participate; what do you expect to gain/learn from the program; How do you expect this program to affect your teaching?). (Max 2000 characters / approximately 275 words)

4. Proposed Project Timeline

Please provide tentative dates for each stage of your project.
